

Ham In A Day Class

Saturday July 7th 8am – 4pm

FREE

Seating is limited, registration is required!

To register email mike@k3do.com or call 240-372-9634. You can also register on [meetup.com](https://www.meetup.com).

No Previous experience or special technical skills required

Morse Code IS NOT Required!

Testing will start at 5pm and is open to the public for all license classes.

We test with Laurel VEC which means testing is always FREE and you will get your new license or upgrade the next business day.

Take the class and pass the test and get a FREE Radio to use when you get your license.
